Centre Island

Special Events, Picnics & Dining

Truly the most spectacular of settings for your next wedding, corporate/social event and company barbecue. Magnificent lake vistas and Toronto's cityscape frame an island getaway destination that cannot be matched. And a paradise venue only a mere 7 minutes away from bustling downtown.

Centre Island provides yet another popular feature: Nestled in over 600 acres of parkland, you may choose from countless picnic areas; including lakefront, beaches, and vast green spaces. What an extraordinary and picturesque setting for your next company barbecue or private party.

Shopsy's Centre Island offers a restaurant, huge main patio, live performance stage, open and enclosed upper decks with stunning views of the city skyline- all ideal for your next cocktail reception.

A short ferry ride from downtown, Centre Island provides a unique opportunity for you and your guests to enjoy a one-of-a-kind special event.

Allow our very best to create the perfect fusion of cuisine, setting and service. Our Centre Island Food Services and Shopsy's Barbecue & Catering teams stand ready to help you break new ground in the art of creating special events and the most memorable of occasions.
