## *We Cater ALL Events*

Since 1921, ***The King of Sandwiches*** has spread out the coals and fired up the grills to deliver sizzling classic flavours only found at a world-famous Shopsy's BBQ. Tailor-made to suit any event, Shopsy's provides the menus, equipment and professional service that allow you to simply sit back and enjoy your care-free special event.

The Shopsy's BBQ is a natural for bringing together family, friends, colleagues and clients. We cater customized outdoor affairs from company and social BBQs to fundraisers, festivals, community & sports events ... just to name a few.

Whether your guests' taste buds yearn for our almost century-old lineup of classic home-made-style foods or something new and trendy – we have it all. Our selection consists of in-house smoked meat, our exclusive brine-cured corned beef, pastrami, sausages, Shopsy's jumbo hotdogs and mouth-watering burgers and roast beef. A trip down our specialty carving stations will be an experience you and your guests won't soon forget.

Today's BBQ parties often demand even more variety: So why not add platters of veggies, a selection of fruits & cheeses, or a little fun – our famous 3- and 6-foot Ultimate Sub Sandwiches.

To say the least, Shopsy's has just the right combination of fresh and top-grade BBQ favourites to ensure your next outdoor gathering is the talk of the town.

And we are there to work with you every step of the way, helping to customize your menu, providing expert staffing and equipment rentals – all to ensure that your fun-filled BBQ goes off without a hitch.

Shopsy's – a classic tradition that only gets better with age.
